The world in which

... our small world

This is where we, as students, spend three-fourths of each year. True, it's a small world, but a friendly one. Each year we've seen the college grow and expand, and yet, as we return we still feel at home in familiar surroundings and among friends.

New homes for Sigma Chi and Lambda Chi.

Faculty home and bookstore are new, too.

Classes change — the setting remains the same.

Each year we see and recall . . .

. . . the lazy, peaceful river, the toot of a boat resounding through the fog, the chime of the auditorium bell that always rang too early, the warm welcome we received when we first arrived and were strangers . . . this we'll not forget.

The "Hanover family"

We hear the expression, "the Hanover family," many places where we go. Indeed, it is a big family! The older members, the faculty, administration, and upperclassmen each year welcome the new members and make them feel at home. Whether it's a formal reception, a bull session, a bridge game, or a coke party, everyone feels a part of the group.

*Oooh! . . . four spades! House-
mothers: Mrs. Thomas, Mrs.

Extra-curricular is the word!

A bridge game between classes, a party in the dorm., the friendly "hi" one hears everywhere they go, a special date . . . these are the things that make a year at college complete.

Black coffee, bridge — or just to chat — the Bowl's the place.

Just a second!

Music, a girl, a guy.

And so, . . . good-night!

The memories that linger are from...

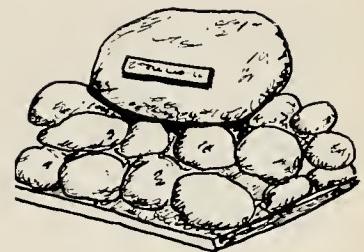

... the hikes in the woods on Sunday afternoon, Crowe Falls, picnics at Clifty, soft music in the evening . . . it's just the little things that bring back thoughts of the past year.

Memorial chapel . . . devotion, dedication, and service.

Just a foggy morning walk.

The dream of every girl, a formal serenade.

Rush - the beginning of new friendships

Welcome to our French cafe!

Through the whirl of informal parties, smokers, banquets, coke parties and desserts, the rushee finally discovers the place where he or she seems to "fit" . . . and thus, a new world of the work and fun of pledgeship begins.

Cokes and laughter make parties informal.

*... and this we got
for winning ...*

Talking it over at the Sig house.

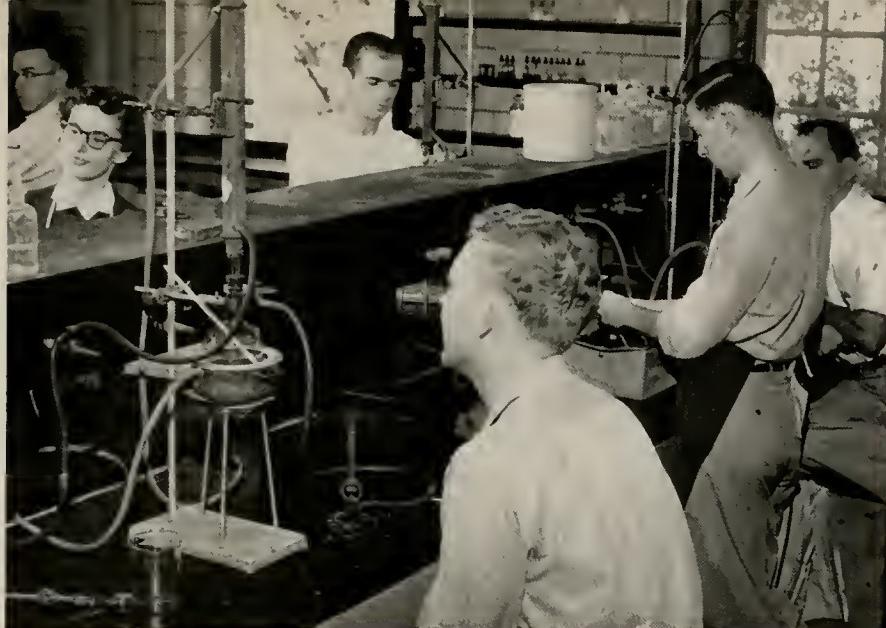

We're here to learn ...

The reason that we came to Hanover was to gain knowledge and understanding of the world around us. In every class, through books, experimenting, field trips and research we are slowly approaching our goal. True, we can't learn everything that we'd like to know about, but we are gaining a new understanding of the world around us, so that after four years here, we can find our place in it.

. . . the week of the year when the girl calls the guy, opens doors, and picks up the check. This year Joe Kreitzman was crowned King Koed at a dance which closed the week.

Thrills, entertainment, new friendships

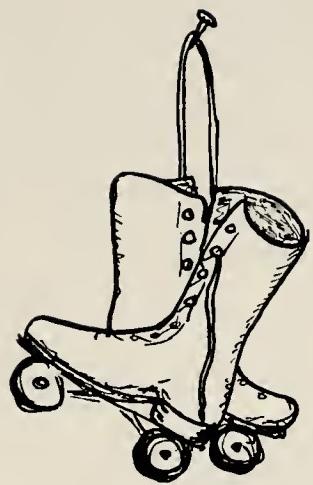

As winter turned into spring, students' thoughts turned to basketball and all its thrills and excitement. For freshmen, second semester meant the beginning of the new experience of pledgeship and all its fun and work.

The faculty this year revived the annual Faculty Frolics and really entertained everyone. No one will forget Miss Duus and her roller skates.

and... the crowning of a Queen.

Each year, the *Triangle* sponsors the election of Cherry Blossom Queen. The candidate, when chosen, is entered in state-wide competition with girls from all Indiana colleges. The student body this year chose Ann Taff, a sophomore, to represent Hanover.

Special programs add interest...

Throughout the year distinguished people visit the campus and present various programs of inspiration and interest.

Organized just this year was a new literary series. The nucleus of this group, a steering committee, brought John Ciardi, well-known poet and author, to Hanover for two days of lectures and discussions.

Victory comes in the Anderson game.

Football

Panthers have a successful season.

Hanover's Panthers concluded a winning season by taking five of the nine games on their schedule. This showed an improvement on last year's record. It was a veteran team that had lost only three men by graduation last year. This team was small, but its speed made up for this deficit. The play for the season was sporadic as the Panthers lost the first game, then won two, lost two, won one, lost one, and ended by winning the final two games of the season. The team played excellent ball for the most part, and Leo Kelly has made a suc-

cessful debut in his new coaching job at Hanover.

The season's games were highlighted by several outstanding plays and events. Gary Vandergrift was in the spotlight during the Anderson-Hanover game by dashing 73 and 57 yards for touchdowns. He also had another long touchdown run called back during this game. This was typical of his fine play all season.

Homecoming and Dad's Day also served to make the season successful. The Homecoming game against Earlham was witnessed by hundreds of returning alumni.

Floats, substituted this year in place of fraternity and sorority house decorations, added to the half-time festivities. The Panthers put on a good show only to lose to the Quakers, who put on a three-touchdown surge in the last quarter.

Hanover faced strong Centre College of Kentucky in the traditional Dad's Day game. At that time Centre was undefeated and was leading the nation in offense. Most of the players' dads were on hand and watched the Panthers put up a determined fight against a larger and more powerful team. Although they were defeated, the team displayed fine football against one of the nation's top small college football teams.

Pucker, Severs,

The Panthers topped a successful campaign by upsetting the favored Indiana State aggregation. The team seemed to have hit its peak as they rolled to a resounding win. This victory revenged the drubbing that they had suffered the two previous seasons. Hanover ran up a total of 411 yards rushing while holding the Sycamores to a total of 20 yards on the ground. Because of this Hanover took to the air only once during the entire game. Thus Hanover ended the season on the right foot and with great expectations of things to come. Only four men will be lost from next year's team by graduation.

One may also recall that in this Anderson-Hanover game the Panthers scored two touchdowns in six seconds and three touchdowns within two and one-half minutes of play. Not to be forgotten was the fine execution of the option play from the split-T or the passing to the end with the immediate lateral to the halfback.

The final statistics showed Gary Vandergrift to be the top ground gainer for the year with a total of 567 yards and an average of 6.44 yards a carry. Danny Kile, the team captain who missed the first part of the season because of an injury, was second in total yards with 406. Larry Liddle, the top pass receiver, led in both scoring with 38 points, and yards gained on passes with 231. Bill Springer led the passing department by completing 19 of 43 attempts for a total of 242 yards.

Liddle Make All-Conference Squad

Captain Danny Kile, at the end of the season, was selected by his teammates as the Most Valuable Player for the season. In this act the team showed the amount of respect they had for Danny both as a teammate and a man. Although he was unfortunate to have to miss part of the season, he was able to lead the Panther squad during the last part of the season, and finished the job by his outstanding play in the Indiana State game.

Ted Pucher and Clyde Severs were elected as co-captains for next year. These two men were so honored because of their consistent and outstanding play throughout the season. The unusual part of it is that both of

these men play in the line and do not often get the recognition that they deserve. Their accomplishments were realized and rewarded by their teammates by this honor placed upon them. These two men were also honored by being selected to the All-Conference team. Another Hanover man on the All-Conference squad was Larry Liddle.

Ted Pucher, co-captain elect, was selected as the first player to receive the "Dutch" Struck Mental Attitude Award. It is to be given to the player who has displayed the best attitude both on and off the football field.

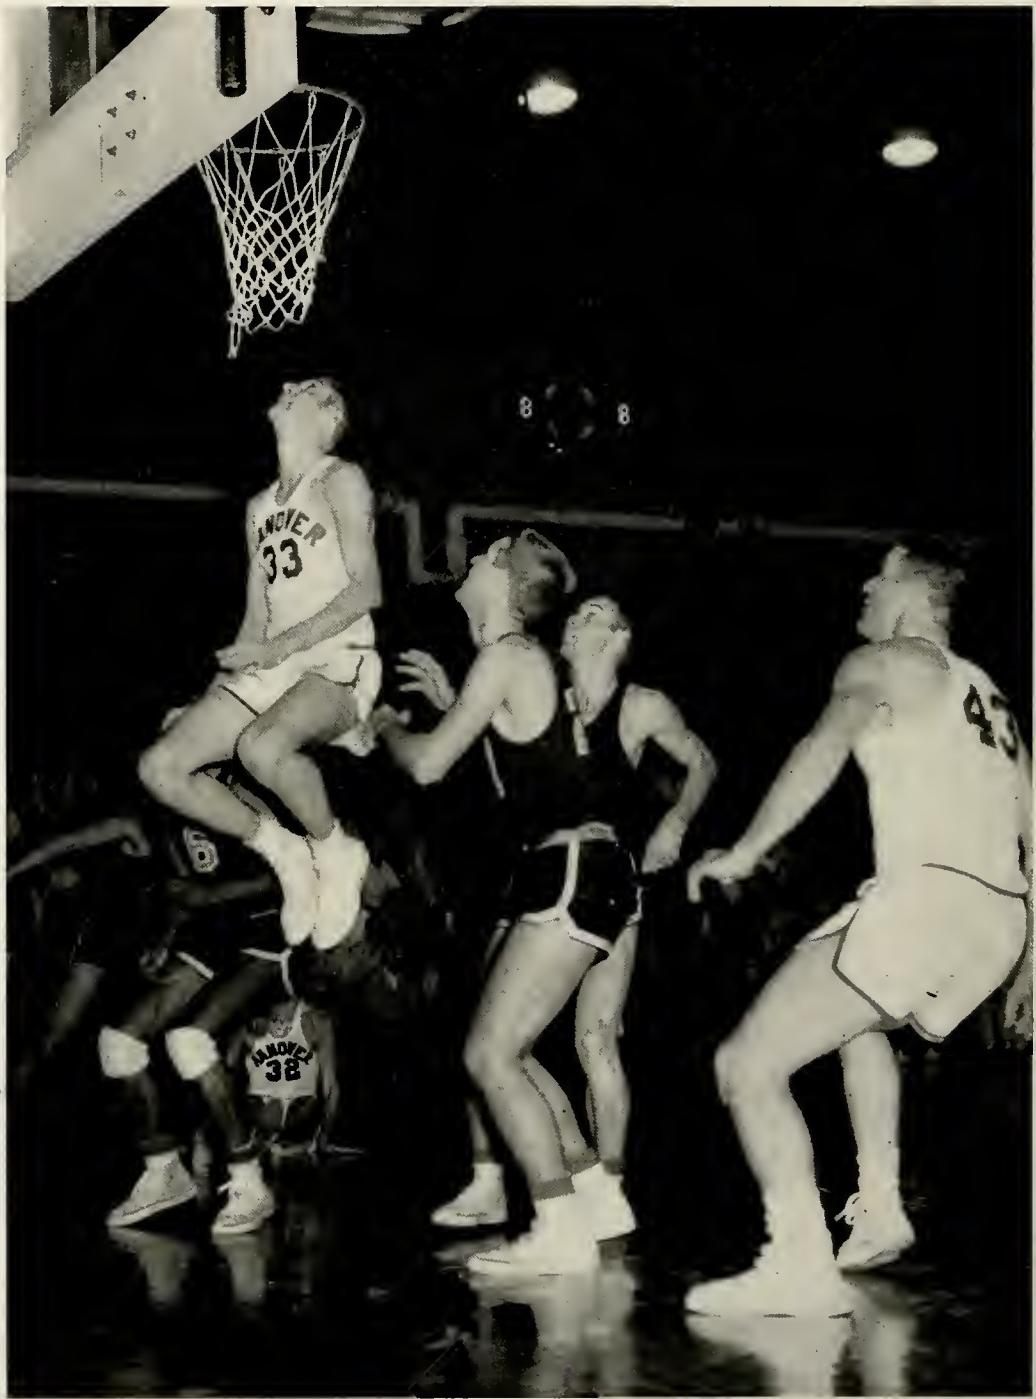

Journey to I.C. proves successful.

Basketball

... a season of close contests

*A tense
moment
in the game.*

This year's Hanover basketball squad was young, eager, and aggressive. In early season play the Panthers racked up a record-breaking 110-90 victory over Earlham. Morris and Meador paced the Hanover attack with 37 and 29 points, respectively. Meador played an outstanding game and received a standing ovation from the crowd when he fouled out of the game late in the third quarter. Hanover stepped into the "big" college class when the Panthers tangled with the University of Louisville. Hanover gave the Cardinals a good battle for the first half, only to lose out to the superior team in the second half.

Hanover displayed fine examples of basketball abilities at other times during the season. In their home game against the Franklin Grizzlies, the Panthers ran up a commanding 26-12 lead while the game was still young. The lead was increased to 48-33 at the half, and Hanover went on to win one of its hard-earned victories of the season.

In the second game against Earlham, it looked like Hanover was going to try to better its early season record of 110 points. Earlham scored first, and then, within five minutes, Hanover had taken a commanding 18-2 lead. This was not to be their night, and the ball seemed to be too big for the basket as shot after shot went astray. The Quakers caught fire in the second half to edge out the Panthers.

Hanover played one of its better games of the season against a red-hot Indiana Central crew late in the season. But it was not enough as I.C.'s Bailey Robertson of Crispus Attucks fame poured 43 points through the hoop for a new school record.

Those fans who went out and supported the team will not forget the fine work done, both offensively and defensively, all season by Carl Meador. John Morris will also be remembered for his twisting jump shots and scoring ability in the clutch. The prospect for a good team in the coming years showed itself when freshman Jerry Drew came up to the varsity from the freshman team for the last half of the season and ended with an average of 15.4 points per game.

The co-captains of this year's team were Dan Kile and John Morris. Larry Liddle, in his third year in varsity competition, was number three man in scoring for the Panthers this season with an average of 12.8 points per game. He has always been a fine rebounder and an aggressive player. Larry proved that he can also be a scoring threat by his .419 shooting average for the past season.

Kile reaches for the ball.

Carl Meador was elected Most Valuable Player for the past season. Carl has come a long way since he played his first game for Hanover last year as a freshman. With his 492 points this season, which was tops for the team, he has a good chance to break Andy Taff's four-year total of 1,675 points. In addition to leading the team in scoring, Carl turned in the highest field goal and free throw averages. From the field he hit at a high .437 average and from the charity stripe had an unusually high average of .836.

Hanover should be a top contender next year as the team loses only one man by graduation. There has also been a promising crop of freshmen to push the upperclassmen for their positions. Prospects indeed look bright for the future.

The track team ended a highly successful season by winning the conference track meet and placing a close second to Butler in the Little State meet. The Panthers were strong from the start of the season and consistently scored in the nineties, occasionally going over one hundred points.

In the first meet of the season, Hanover avenged the only loss of the previous season by beating the University of Louisville $79\frac{1}{2}$ to $50\frac{1}{2}$. Just one week later the Panthers set a new record for the Rose Relays of $111\frac{2}{7}$ points. Of the sixteen events held, Hanover men placed first in ten, winning a total of 44 medals and 4 relay trophies.

On Family Day, Hanover held a four-way meet with the University of Kentucky participating. Even in competition of this kind the Panthers amassed a total of 117 points to 62 for the second place Kentuckians. Later in the season another accomplishment was added to their string as they scored an impressive $68\frac{1}{2}$ to $53\frac{1}{2}$ victory over the University of Cincinnati.

There were several outstanding men on the team. Tuffy Hamilton set records in the broad jump, high jump, and the javelin. John Morris set new records in the shot put and discus. John Owensby broke the old records in the mile and two-mile. In all, eleven new records were set during the season. At the end of the

season Tuffy Hamilton was elected by his teammates as the most valuable member of the team.

Only two men will be lost to the team by graduation: Lynn Powell, who threw the shot and discus; and Scoot Burger, who currently holds the school pole vault record.

Hamilton won the Indiana A. A. U. broad jump crown in June and thus became eligible to compete in the national A. A. U. meet in Los Angeles. In it he placed sixth with a jump of $24' 8\frac{1}{2}"$, thus becoming eligible for the Olympic Trials. In them he placed twelfth.

As the season started Hanover fielded a young team. The weather did not treat the locals too well, as the first three games of the season were rained out. These games were needed because many of the members of the team were untried. The inclement weather also forced the team to open conference play without being able to work out many of the rough spots.

During the season the Panthers won six and lost twelve; while in conference play they won four and lost eight. The pitching received a shot in the arm about half way through the season when freshman Jerry Drew came in to pitch a couple of complete games and pitched the first shutout for the Panthers.

Captain Dan Kile and Coach Leo Kelly.

Season's Record

The team chose Dan Kile, senior catcher, as the honorary captain for the past season. Kile has also served as captain of the football team and co-captain of the basketball team. The Panthers had no captain this year as Stu Liggett, who was elected last spring, transferred to the University of Cincinnati. Bill Springer, the lead-off man, was selected as the most valuable player and also co-captain for next year. John Dwenger, who led the club in hitting, was selected as the other co-captain.

The Hanover tennis squad finished in third place in the Hoosier Conference this year. Heading the team was John Zirzow, who was All-Conference last year. Scoot Burger was the other senior member on the squad, and he and Zirzow played number one and number two in the singles as well as being the number one doubles team.

The squad was out to revenge last year's defeat at the hands of Earlham which had cost them sole owner-

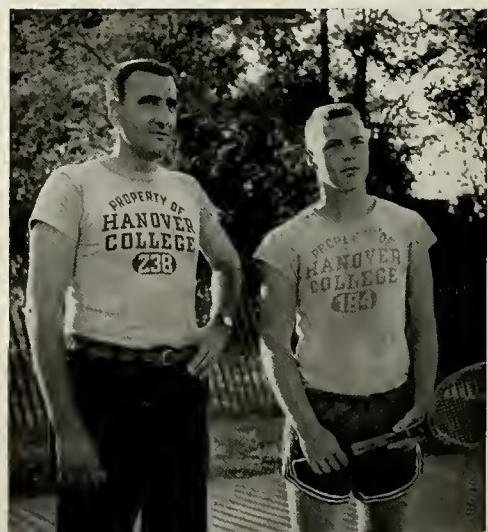

ship of the conference title, but they were defeated in the Homecoming game by the Quakers and fell into second place this year. The last match of the season, with Indiana Central, spelled the difference between second and third place in the conference. The netmen lost a close one to the Greyhounds and finished third.

The remaining players this year were freshmen, so the team will have experienced men next year.

The Panthers also placed second in the Little State meet that was played along with the conference meet. Captain Tom Nichols was the first place medalist with a score of 150 for the 36 holes of play. In the Little State meet, Tom was runner-up medalist,

losing by one stroke to the best man from Butler.

The golf team finished with eight wins and three losses, plus the conference. This is an impressive record, but it is even more so when the scores show that Hanover was defeated by the University of Louisville, University of Cincinnati, and Xavier University. Over schools of their own size, Hanover had a clean slate.

Cross Country

Only one man was lost from last year's team that tied Anderson for the conference championship, so the prospects seemed good of at least equaling the record of the previous season. Hanover was not to be denied in the conference meet. John Owensby and Tom Bohlson led the Panthers to a record-breaking championship by placing one-two in the meet. Owensby set a new conference record by running the four miles in

22:22, and Tom Bohlson also bettered the old mark of 22:44 by running the course in 22:30. Hanover won by a remarkably low score of 26 points. Three of the team, Owensby, Bohlson, and Arlan Lickliter, received All Conference honors by finishing in the first five places. Owensby now owns records on four of the five conference courses in addition to the all-conference record.

Phi Omicron of Alpha Omicron Pi began this year with its new officers: president, Carla Ortale; vice-presidents, Pam Patterson, Janet Aufderheide, Pat Bard; recording secretary, Gladys Crawford; corresponding secretary, Janet Conrad; treasurer, Barbara Kryter.

The fall semester started with a medieval theme for rush, and after pledging twenty-four our chapter number was raised to sixty-six.

The social activities for Phi Omicron this year included the Halloween dance and hay ride, the sixth annual Rose Dessert, the formal pledge dance, "Fantasy in Frost," a "come as you are" party for the other two sororities at Christmas, the "Twin Twirl" Valentine dance, and the spring formal, "La Vie en Rose Ball." The AOPi's made weekly trips to Cragmont, and sang Christmas carols for the campus.

Phi Omicron chapter was well represented in campus activities and honors. Pam Patterson was chosen valedictorian of the Class of 1956 and graduated Magna Cum Laude. Graduating Cum Laude were Joan Kasperek, Barbara Kryter, Dottie Pickens, and Gladys Crawford.

Barbara Kryter was president and Mary Bogner, secretary-treasurer of Gamma Sigma Pi. Bonnie Marshal was president and Mary Bogner junior advisor of Alpha Lambda Delta, which took freshman members Judy Haggard, Beverly Smith, Sandra Salisbury, and Carolyn Miller. Bunny Ortale was president of Theta Alpha Phi and chairman of the Board of Student Affairs. Jan Conrad was vice-president of Alpha Phi Gamma, and Marie Eskew was secretary of the Student Council.

Marcia Shepherd served as president; Dottie Pickens, secretary; and Jeannine Happ, publicity director of the W.R.A. Board. Pam Patterson served as secretary of the senior class, Janet Conrad as editor of *Hill Thoughts*, Jo Tanner as student director of Orchesis. On the *Triangle* staff were Mary Bogner and Mary Ellen Poe as feature editors, while Sandra Brown served as assistant editor of the *Revonah*. Mary Ellen Poe was secretary and Pam Patterson treasurer of F. T. A.

Bunny Ortale and Pam Patterson were awarded the Long College Citation, and Pam Patterson received the Panhellenic Senior Sorority Award on Honors Day.

Iota of Beta Theta Pi was led during the first semester by John Park, president; Joe Kreitzman, vice-president; Nels Kiefer, secretary; and Robert Burger, treasurer. Taking office in January were Joe Kreitzman, president; Andy Anderson, vice-president; Nels Kiefer, secretary; and Jon Ford, treasurer. "Dutch" Struck served as Iota's faculty advisor. The chapter was forty-four members strong this year, with nine men graduating in June.

Beta Theta Pi started out the year by winning the Homecoming trophy with the theme, "The \$64,000 Question." Last fall, Carol Day was crowned Beta Sweetheart at a special meeting. Beta Theta Pi kept alive another tradition by entertaining the faculty of the college at the annual Christmas Tea. During Coed Week, Joe Kreitzman was elected King of the annual coed dance.

In campus activities Betas held several offices. Danny Yap was coordinator of the Pnblc Affairs Forum. John Park was business manager of the Triangle and received an award on Honors Day for his outstanding work. Phil Joseph presided over the college band. Tom Bohlson was on the Board of Student Affairs, and this spring he was elected president of the Varsity "H" Club. Ed Ghearing was elected chairman of the Forensic Union, and the Betas also held office in the International Clnb and in the sophomore and junior classes.

John Zirzow was tennis captain this year, and the Betas were well represented in all varsity athletics with Tom Bohlson, "Tuffy" Hamilton, and Scoot Burger again winning conference track first places.

Lambda Chi Alpha started out the year by moving its forty members into their new house. Officers for the year were Dan Kile, president; Milt Baas, vice-president; Cline Mahoney, secretary; and Larry Willen, treasurer. Max Poland served as advisor to the chapter.

At the White Rose Formal last fall, Nancy Demaree was named the chapter's sweetheart.

In intramurals, the Lambda Chi's ran away with "A" league volleyball, bowling, and tied for "B" league volleyball. They won second places in horse-shoes and "B" basketball.

The chapter was again well represented in varsity athletics. The outstanding include: Dan Kile, football captain and most valuable player, and basketball co-captain; John Morris, basketball co-captain and captain of the track squad; Carl Meador, all conference and most valuable on the basketball team; Larry Liddle, next year's basketball captain, and all-conference football; Arlan Lickliter,

all-conference cross-country and next year's captain. As a result, the Varsity Participation Award goes again to Lambda Chi Alpha.

The chapter had the honor of being the first to win the highly sought Presidential Cup which is awarded to the fraternity with the best record for intramurals and varsity participation over a period of four years.

On campus the Lambda Chi's are well represented in many fields. Milt Baas and Larry Sweany are the respective presidents of the regular and Junior Interfraternity Councils. Larry Willen was treasurer of Student Council, while Dan Kile presided over Varsity "H" and was a member of the Board of Student Affairs. Chuck Geltz was on the debate team, while sophomore Gary Vandergrift was president of his class. Dan Kile received the coveted Hanover College Intrafraternity Trophy on Honors Day.

Phi Delta Theta started out its year of activities by having a house dance once a month. Some of these were special, like the Halloween party and the Sweetheart Dance. The chapter held its fall formal at the Elks Club in Madison in December. Another activity was a chapter banquet at which Col. Henry Rogers, a province president of Phi Delta Theta at the University of Kentucky, spoke.

One of the highlights of the first semester was the entertaining by the chapter of several underprivileged children at a Christmas party. At this party, the children were feted with gifts and a dinner and were taken to a basketball game.

During the second semester, the chapter attended State Day in Indianapolis and continued the monthly house dances. The Miami Triad with Tommy Alexander's band brought the year's social activities to a fitting close.

On campus the Phi Deltas were well represented

in many activities. Harold Cavitt was president of the senior class; Jack Rothenbush, president of the Social Science Club; Jack Potter, president of Chi Epsilon Phi and student director of the college band; and John Earl, captain of the cross country team.

In the house, Brant Loper held the activities pin with eight extra-curricular activities to his credit for the year, and scholarship pins were held by Gene Wise and Joe Kunz. The chapter captured first place in both intramural basketball and football, and second place in Fraternity Skit Night.

This year's pledge class of 10 was initiated on May 17, making the chapter 40 members strong. Don Cox served as president, Jack Potter as vice-president, Dick Bohlander as secretary, and Gene Wise as treasurer, with Charles Fox as faculty advisor and Robert Cooper as chapter advisor.

The Phi Gams turned in outstanding performances on the football team. Ted Pucher and Clyde Severs made the all-conference squad and were elected co-captains for next year. Dick Macheck, Tom Nacca, Bob Wright, and Dick Cross also won varsity letters. Leslie Spriggs was a member of Hanover's cross country team.

The big events of the year centered around our new house into which we moved shortly before Thanksgiving. Formal dedication was on May 13. On the social scene, the Fijis held their fall formal in December. On May 5, we held our traditional Fiji Island Dance, with its realistic South Sea atmosphere.

In campus activities the Phi Gams were well represented. Jim Lewis was a member of the Campus Recreation Committee, chairman of the Campus Chest Drive, and vice-chairman of the Hanover Forensic Union. Ted Pucher was secretary of the Junior Class and treasurer of Varsity

"H". He was also on the Religion in Life Week Committee and Public Affairs Forum Steering Committee. Jim Rose was treasurer of the Interfraternity Council. Dick Macheck was chairman of the Negro Integration Committee and business manager of Hill Thoughts. Kent Thompson was on the Literary Series Steering Committee, and Coyle Shaw was tenor soloist of the college choir.

In spring sports Frank Casaceli and Clyde Severs were on the baseball team, and Leslie Spriggs was on the track team. In intramural sports the Fijis won trophies in ping pong and horseshoes. Lynn Wardell was alumni secretary of Alpha Phi Omega, and Don Kastner was the secretary of that organization.

Officers for the year were president, Ron Brown; treasurer, Jim Rose; corresponding secretary, Ted Pucher; recording secretary, Bob Goodwin; and historian, Don Kastner.

Sigma Chi celebrated its first year in the new house with a number of noteworthy achievements. In the fall, the social season was inaugurated with Sig Weekend and the annual Watermelon Bust. Later in the semester, the Sweetheart Dance was held, and Jere Hawley was crowned this year's Sweetheart of Sigma Chi.

In intramurals, Chi held its own by finishing second in all three major sports: football, basketball, and softball; and won B volleyball. Perhaps our outstanding name in varsity competition was Tom Nichols, who captained the golf team.

Chi chapter scholarship was again high, and in addition to winning the scholarship cup, it boasts eleven seniors continuing in graduate work. Books were laid aside long enough, however, to win Interfraternity Sing and Varsity H Skit Night, the latter for the third time in four years.

In campus activities, the chapter is well represented. Sam Washburn was president of the Student Council and Alpha Phi Gamma, the treasurer of the senior class, and on the Board of Student Affairs. L. K. Smith was president of the choir. Joe Franklin was freshman class president and Goodrich orator of the year. Dave Hosler was salutatorian of the senior class.

The first semester officers were Sam Washburn, president; Dick Dickmann, vice-president; Dick Lynn, recording secretary; Don Steiner, corresponding secretary; and Phil Lee, pledge trainer.

Second semester officers included Bob Belter, president; John Newlin, vice-president; John Phillippe, recording secretary; John Hutchins, corresponding secretary; and Lee Strouse, pledge trainer.

philanthropic projects. Modern dance, combined with an original script and music provided talent for the production, "Showtown, U.S.A."

The illness and sudden death in 1954 of Dr. Mars Westington, professor of classics, deeply saddened his Hanover friends. Also, in that year special recognition and the dedication of Parker Auditorium was awarded to Dr. Albert G. Parker as he completed his twenty-fifth year as president of the college. The Community Artists Series brought outstanding personalities such as soprano, Lucile Cummings, the Gay Tyroliers, and the Dublin Players with their presentation of *Pygmalion*. "Alberto's Hideaway," featuring the faculty in a floor show and also a dinner took place in the Parker's basement and provided entertainment for the students who attended.

This past year, 1955-56, was the Literary Series formed, and the contemporary poet, John Ciardi came to the campus for two days of lectures and conferences. The Faculty Frolics was revived to the delight of the students and met with huge success. Also, the Dublin Players made their second appearance on the Hanover stage and were en-

As seniors we are leaving Hanover, taking with us many fond

Any four years pass rapidly and bring with them numerous changes and events. Four years at Hanover College are no exception, and as a graduating senior looks back upon his college career, certain events are outstanding.

Highlighting the year 1952-53 were Franz Polgar, the sensational hypnotist, and John Furby, the lecturer. Iota chapter of Beta Theta Pi celebrated its one-hundredth birthday, bringing alumni and a big celebration to the campus. Alpha Lambda Delta, the national scholastic honorary for freshmen women, was formally installed at Hanover.

A 1954 basketball victory after a thrilling game with Indiana Central College brought a one-day vacation from classes, a snake dance, and renewed enthusiasm and school spirit. Sorority girls vacated Point House soon after Christmas vacation and moved into three brand new homes. The same year Hanover celebrated its first Greek Week with a picnic, dance, skits and singing competition, and

enthusiastically welcomed. Interest and enthusiasm in politics and the coming national election were exemplified by an authentic mock Democratic convention, at which time the students and faculty selected Stewart Symington as the most likely candidate for the Democratic nomination for President. Three new fraternity houses, a chapel and a new bookstore added to the college's building program. The same year a new men's dormitory and women's gymnasium were begun. Sponsored by the senior class, Harriet Fitzgerald, artist, appeared for an assembly and explained modern art to the college audience. The annual senior-alumni banquet, baccalaureate, and at last, commencement, brought to an end the events of the year and for the college career of the Class of 1956.

Now the class leaves Hanover, to travel to every corner of the earth, to study, to work, and to use a college background gained to build citizenship and leadership.
